- Is there a cost for the winter show?

No fees are required for the winter show.

- Is there a cost for costumes?

Parents are not charged for winter show costumes. It is possible, however, that you may need to buy tights and proper dance shoes, depending on your child's class.

The only exception to this may be if your teacher requires everyone to wear something that it is likely that most people will own or wear again (i.e., red t-shirt, white leotard, black tennis shoes, etc).

Most costumes will need to be returned to B&B Dance Co. to be used in future shows.

- Do we have to buy tickets?

Tickets will be sold for \$10.00 each, either in advance or at the door.

- Can anyone come?

Absolutely!
